I&F SOFTWARE

# CandyBandit

By Chris Warling

## COMMODORE 64 DISK/CASSETTE
## ARCADE ACTION

So your sweet tooth has gotten out of hand again? Well, this time the sheriff is after you and he's no sweetheart. There he is now! Quick! Grab all the candy in sight and dive for the doorway! Don't look now, the doors are rotating...better be good at getting out of sticky situations, 'cause if you hit the wall you're stuck with it! There's plenty of candy here and many more levels to cross, so get on the move, sugar!

## Disk Loading Instructions

1. Turn on your Commodore 64.
2. Turn on your disk.
3. Insert the Candy Bandit diskette into the disk drive.
4. Close the disk drive door.
5. Type: LOAD "*", 8
6. Press the RETURN key
7. When the disk stops, type: RUN
8. Press the RETURN key.
9. Wait about 80 seconds for Candy Bandit to load into the computer.
10. Insert you Joystick into slot #2.
11. Read the instructions.

## Cassette Loading Instructions

1. Turn on your Commodore 64.
2. Insert Candy Bandit cassette into your Commodore cassette player.
3. Hold the SHIFT key down and press the RUN/STOP key.
4. Press the PLAY button down on your cassette player.
5. The Program will take about 7-10 minutes to load into your computer.

## Scoring

Candy Player:
The Bandit and the Sheriff

Butterscotch - 10 points

Sucker - 20 points

Candy Cane - 30 points

Gum Drop - 40 points

Jelly Bean - 50 points

Gum - 100 points

## Objectives

The Bandit must steal all the candy before being caught by the sheriff. Avoid hitting the walls 'cause you'll stick to it until the rotating doorway opens.
